Project Expo Rules

1. Eligibility

- The project expo is open to students from **all engineering disciplines**.

2. Team Structure

- Participants can register individually or in teams of **1 to 4 members**.

3. Project Categories

- Projects must fall under one of the two categories: **Software** or **Hardware**.

4. Project Requirements

- The project must be a **previously developed** work by the participant(s).
- **Concept-based projects** are allowed.
- Participants must submit their **project title** at the time of registration. **Title changes will not be allowed** after submission.

5. Evaluation Criteria

- The evaluation criteria will **not be disclosed** to participants.
- Judges will assess projects based on predefined internal parameters.

6. Event Format

- The expo will follow a **single-round evaluation** process.
- Each team will have **10 minutes** to present or demonstrate their project.
- A **Q&A session** with the judges will follow each presentation.

7. Venue and Setup

- **Power supply** will be provided to all participants.
- Participants must **bring their own laptops and required hardware components**.
- No additional equipment such as **projectors or display screens** will be provided.

8. Awards and Recognition

- **All participants** will receive a certificate of participation.
- The **prize amount** will be revealed at a later stage.

9. Registration Process

- Participants must register through **Unstop**.
- The **registration deadline** is **March 12**.

10. Code of Conduct

- The **Code of Conduct** will be provided as a separate PDF document to all participants.
- Participants are expected to adhere to the guidelines outlined in the document.

11. Other Important Details

- **Lunch** will be provided to all participants during the event.
- Participants will be given option to choose their food preference(Veg/Non-Veg) in your registration process
- Participants are responsible for their own **project setup** and **teardown**.

12. Contact Information

- Participants can reach out to the **Event coordinators** for any queries or assistance.
- The contact details for the event coordinators will be provided on the **registration page**.
